

AN APPEAL BY MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION (MoSPI)

You are aware that the 7th Economic Census is being conducted by Ministry of Statistics and Programme Implementation, Government of India throughout the country. Economic Census provides basic information on various operational and structural aspects of all economic establishments in the country. The economic census provides valuable insights into geographical spread, clusters, ownership pattern, persons engaged, etc. of the establishments engaged in entrepreneurial activity. CSC e-Governance Services India Limited (an SPV under Ministry of Electronics and Information Technology) has been engaged as the implementing agency for 7th EC.

The enumerators and supervisors engaged by CSC have been trained to collect data on mobile application through door to door visit to each establishment. All citizens and businesses are requested to provide complete and correct information about their economic activity. Information collected through the Economic Census will help in designing suitable policies and interventions by governmental and non-governmental agencies for improving socio-economic condition of the country. Economic Census data may also help in providing insights into skilling and employment opportunities of people. It is assured that the information provided by business enterprises will be kept completely confidential.

I appeal to all members of Ministry Of Micro, Small and Medium Enterprises (MSME) to extend their cooperation and support to the 7th Economic Census 2019 and provide correct and complete information to the enumerators visiting your premises.
